incur as a result thereof. The Company shall and does hereby assume on behalf of the Employee, upon its demand, the amount of any costs allowed by law, and costs identified herein, any settlement reached or any judgment that may be entered against the Employee, as a result of such Claims. This offer is conditioned on the Employee's signing the Employee Undertaking and the Employee's continuing willingness thereafter to abide by its terms. The Employee is required to sign the Employee Undertaking when he/she countersigns this Agreement. Prior to commencing employment with the Company, the Employee shall provide the Company with Form I-9 accurately completed to evidence his/her eligibility for employment. The Employee shall bring the appropriate documents listed in the Form I-9 on the start date of his/her employment. The Company will not be able to employ the Employee if he/she failed to comply with that requirement. The Company reserves the right to perform standard background checks on all employees consistent with applicable laws.

14- MISCELLANEOUS

This Agreement, and Exhibits attached hereto, contain the entire understanding between the Employee and the Company with regard to the subject matter contained herein, and supersedes all prior agreements, understandings, intents, promises or statements, whether oral or written, between the Employee and the Company or any related party regarding the offered terms of employment.

The terms of the Employee's employment shall be governed by the laws of Wisconsin. Any controversy or claim arising out of, or relating to, this Agreement or breach hereof shall be brought before courts having jurisdiction thereof.

The Employee acknowledges that the services he/she will render hereunder are unique and personal. Accordingly, the Employee may not assign any of his/her rights or delegate any of his/her duties or obligations under this Agreement. The rights and obligations of the Company under this Agreement shall inure to the benefit of and be binding upon its successors and assigns.

Should any provision of this Agreement or any portion thereof, be found invalid and unenforceable, the remaining provisions shall continue in full force and effect. Failure of either the Employee or the Company to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way affect the validity of this Agreement or any part hereof or the right of either the Employee or the Company to enforce each and every such

provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach. This Agreement may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall be binding when one or more counterparts have been signed by each of the parties and delivered to each of the parties.

In accepting this offer, the Employee gives the Company assurance that the Employee has not relied on any agreements or representations, express or implied, with respect to the Employee's employment that are not set forth expressly in this Agreement.

I (the Employee) will not at any time, whether during or after the termination of my engagement by the Company, reveal to any person or entity any of the trade secrets or confidential, proprietary or other non-public information concerning the organization, business, finances or assets of the Company, or any third party which the Company is under an obligation to keep confidential,

I hereby acknowledge and agree that, as between me and the Company, the Company shall own, and I hereby assign and, upon future creation, automatically assign to the Company, all right, title and interest, including, without limitation all Intellectual Property Rights, in and to any existing and future Developments (whether created prior to, on or after the Effective Date). For purposes of this Undertaking, "Intellectual Property Rights" are all:

I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf and stead, in the event the Company is unable,

after reasonable effort, to secure my signature on any application for patents, copyright or trademark registration or other documents regarding any legal protection relating to any Developments, whether because of my physical or mental incapacity or for any other reason whatsoever, to execute and file any such application or applications or other documents, and to do all other lawfully permitted acts to further the prosecution and issuance of patents, copyright or trademark registrations or any other legal protections thereon with the same legal force and effect as if executed by me.

3. Non-solicitation.

During the period of my engagement by the Company, I will devote my full business time (unless I was hired on a part-time basis) and best efforts to the business of the Company. Further, during the period of my engagement by the Company and for two (2) years thereafter (the "Restricted Period"), I agree that I will not, directly or indirectly, alone or as a partner, officer, director, employee, consultant or stockholder of any entity:

4. Non-competition.

During the period of my engagement by the Company, I will devote my full business time (during my required hours) and best efforts to the business of the Company. I acknowledge that my access to Confidential Information, if disclosed, would assist in competition against the Company, and I further acknowledge that my personal dealings with customers, collaborators and clients will generate substantial goodwill for the Company. Therefore, I agree that the restrictions on my activities during and after my engagement set forth in this Section 4 and in Section 3 are necessary to protect the good will, Confidential Information and other legitimate business interests of the Company. Accordingly, during my engagement by the Company and for a period of one (1) year thereafter, regardless of the reason for my separation, except in the event that the Company terminates my employment without cause, I agree that I will not, directly or indirectly, alone or as a partner, officer, director, employee, consultant, investor, agent, representative

or stockholder of any entity, engage in any business activity which is in competition with the services or products being rendered, delivered, marketed, commercialized, produced or sold or under development or active consideration by the Company during my engagement by the Company, including, without limitation, any entities engaged in any activity in any way relating to the field of business of the Company.

5. Non-Disparagement.

This includes, but is not limited to, any statements that disparage the products, services, finances, financial condition, capability or any other aspect of the business of the Company and its affiliates. I further agree not to engage in any conduct which is intended to harm, professionally or personally, the reputation of the Company or its affiliates, officers, directors, managers, consultants or employees. For purposes of this Agreement, the term "affiliate" of the Company means and includes, without limitation, any and all persons and entities directly or indirectly controlling, controlled by or under common control with the Company, including subsidiaries, and such affiliate's directors, officers, employees, agents, successors and assigns.

6. Miscellaneous.

(a) I agree that any breach of this Undertaking by me will cause irreparable damage to the Company, and that in the event of such breach the Company shall have, in addition to any and all remedies at law, the right to an injunction, specific performance or other equitable relief to prevent the violation of my obligations hereunder, without having to post bond, together with an award of its attorney's fees incurred in securing such relief.

(b) I understand that this Undertaking does not create an obligation on the part of the Company or any other person or entity to continue my engagement by the Company.

(c) I represent that the Developments identified in the pages, if any, attached hereto comprise all of the unpatented and unregistered copyrightable Developments which I have made, conceived or created prior to my engagement by the Company, which Developments are excluded from this Undertaking. I understand that it is only necessary to list the title and purpose of such Developments but not any details thereof; and, if no pages are attached, I represent that there are no such Developments to be excluded from this Undertaking. I further represent that my performance of all of the terms of this Undertaking and as an employee of the Company does not and will not breach any other agreement, including without limitation an agreement to keep in confidence proprietary information of others acquired by me prior to my engagement by the Company, nor will my performance of the terms of this Undertaking violate any agreement not to compete. I have not entered into, and I agree I will not enter into, any agreement, either written or oral, in conflict herewith.

(d) Any waiver by the Company of a breach of any provision of this Undertaking shall not operate or be construed as a waiver of any other provision of this Undertaking, and shall not operate or be construed as a waiver of any subsequent breach of such provision or any other provision hereof.

(e) It is agreed that the periods of post-engagement restriction set forth in Sections 3 and 4 of this Undertaking shall be tolled, and shall not run, during any period of time in which I am in violation of the terms hereof, in order that the Company shall have all of the agreed-upon temporal protections recited herein.

(f) I hereby agree that each provision herein shall be treated as a separate and independent clause, and the unenforceability of any one clause shall in no way impair the enforceability of any of the other clauses herein. I further agree that no breach of any provision of this Undertaking by the Company, or any other claimed breach of contract or violation of law, shall operate to excuse my obligation to fulfill the requirements of Sections 3 and 4 hereof. In signing this agreement, I give the Company assurance that I have carefully read and considered all the terms and conditions of this agreement, including the restraints imposed on me under Sections 3 and 4. I agree that these restraints are necessary for the reasonable and proper protection of the Company and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area. Moreover, if one or more of the provisions contained in this Undertaking shall for any reason be held to be excessively broad as to scope, time period, geographic scope, activity, subject or otherwise so as to be unenforceable at law, such provisions shall be construed by the appropriate judicial body by limiting or reducing it or them, so as to be enforceable to the maximum extent compatible with the applicable law as it shall then appear. I acknowledge

and

agree that I do not rely, and have not relied, on any representation or statement made by the Company with regard to the subject matter, basis or effect of this Undertaking, other than those contained in this agreement.

(g) My obligations under this Undertaking shall survive the termination of my engagement by the Company, regardless of the reason for such termination, and shall be binding upon my heirs, executors, administrators and legal representatives. It is further agreed that no changes to the nature or scope of my relationship with the Company shall operate to extinguish my obligations hereunder or require that this Undertaking be re-executed.

(h) The term "Company" means Deel US LLC, and, for purposes of this Undertaking, shall also mean and include its parent, subsidiaries, subdivisions or affiliates. The Company shall have the right to assign this Undertaking to its successors and assigns, and all covenants and agreements hereunder shall inure to the benefit of and be enforceable by said successors or assigns. I acknowledge that I do not have any right to assign any portion of this agreement.

(i) This Undertaking shall be governed by and construed in accordance with the laws of Wisconsin, without regard to its conflict of law provisions. Any disputes relating to or arising out of this Undertaking shall be resolved in the state and/or federal courts of Wisconsin, to whose exclusive jurisdiction I hereby assent.

(j) This Undertaking, together with any attachments hereto, constitutes the entire agreement between the Company and me with respect to the subject matter hereof, and supersedes

all prior discussions, promises, negotiations and agreements (whether written or oral). This Undertaking may be amended or modified only by a written agreement executed by the Company and me.

If the employment agreement is not signed by the start date, the start date of your employment will be delayed to the date of employee agreement signature, or later if so agreed between the parties.
